Introduction xix

1 The school as an organization 1

Structures 2

Ethos 5

Community 5

Spirituality or values 5

Conclusion 10

Notes 10

2 The school librarian 11

Competencies, skills and aptitudes 12

Knowledge base for librarians 18

Qualifications and experience of librarians 20

Status, position and role of the librarian in the school 24

Who is the best person to manage the library? 28

Role of head teachers and senior management teams
in the library 31

Other issues for librarians in schools	34
Employment issues for school librarians	35
Conclusion	36
Note	36

3 Conditions for learning 37

Effective learning: the role of the school library	38
Collaboration and liaison	43
The student's conditions for learning – implications for the school library	48
Conclusion	53

4 Managing the curriculum-related role 55

Identifying the school curriculum	56
The library's role in supporting the curriculum	58
Getting the library's role across	59
Curriculum involvement for the school librarian – getting started	63
Curriculum involvement: progression of the library's role	68
The teaching role of the librarian	70
Assessment of the role of the school library in the learning process	72
What are information skills?	73
Conclusion	79
Notes	80

5 Policy and development 81

What is policy and policy making?	81
Ways of getting the organization interested in the library policy	82
The policy's central tenet: the place of the school library in the school	84
Aspects of a school library policy	89

- How detailed should policy be? 91
- Is there a blueprint policy? 91
- On-going review of policy 94
- Development of the school library and information service 94
- Reduction of library provision 97
- Role of a library steering committee 98
- Conclusion 100

- 6 Management principles and styles 102**
 - Management skills and situations 102
 - Analysis of management aptitudes and skills needed by school librarians 110
 - Conclusion 113

- 7 Financial management 114**
 - Aspects of financial management for school librarians 114
 - Why should there be an annual or on-going budget for the school library? 117
 - Elements of a school library budget 118
 - The budget report 120
 - Formulae to quantify and cost a library budget 121
 - Grants and sponsorship 125
 - Supply and value for money 126
 - Monitoring financial information 132
 - Inventory 133
 - An electronic security system for the school library 135
 - Valuing library assets 136
 - Conclusion 138

- 8 Managing the building and equipment 140**
 - Why should accommodation be devoted in school for library purposes? 142
 - What should be included in library accommodation? 142

Who can help with library accommodation development?	143
Specific issues regarding school library provision	145
Solutions to problems of inadequate library provision	152
Project management	155
Furniture and equipment	155
Conclusion	159
