## Author

Gillian Oliver is an academic at the School of Information Management, Victoria University of Wellington, New Zealand. Her PhD is from Monash University, Melbourne, Australia. Her research interests centre on organisational culture, and the influences this has on the way that information is managed. She is the co-author of Records Management and Information Culture (Facet 2014) and a Co-editor in Chief of Archival Science. Ross Harvey is Adjunct Professor at RMIT University and the University of South Australia.
